The annual CHS65 Scholarship is presented to a Cedarville High School graduating senior. It is supported by class members and other private donations that are received.

Award Criteria:
We would like for the applicant to have attended CHS for all 12 years; however, we will consider all applicants who have met our qualifications.

The applicant should be accepted in a higher educational program including a technical school, or junior college program. If not already accepted, application should have been made. Other considerations for this award are based on the following factors: educational intent, academics, volunteer and community service and financial aid.

How to Apply:
An application may be obtained from the Guidance Counselor's office. The application needs to be typed and returned to the Guidance Counselor according to the high school policy. All applications will then be forwarded to the CHS5 Scholarship Committee for their review.

Award Payment and Amount:
A check for the amount of the scholarship that year will be forwarded to the school of acceptance. The recipient will need to contact the scholarship point of contact and provide the accepted school name, student identification number and appropriate office to receive the check, the school address and phone number. The check will not be issued until this information is provided. No award will go directly to the student.

Award Amount: The scholarship award may vary year to year. The Committee will advise the Guidance Counselor of the monetary amount prior to the distribution of the application. The Scholarship Committee reserves the right to choose the number of scholarships given each year.

Selection Committee:
The guidance counselor advises the selection committee when all applications are available for review. Committee members are representatives of the CHS Class of 1965. Any class member can serve on the selection committee or present the award any year. The Guidance Counselor serves as an advisor and provides input as needed to aid in the committee's decision.

Class Points of Contact:
Questions can be referred to the Guidance Counselor or the following CHS65 class members:
