

Cedarville High School

CCP Course Information

- Enroll, one time only, as a High School CCP student at <https://www.clarkstate.edu/admissions/admissions-for-college-credit-plus/students/>
- Students who have not yet taken a course must attend a CCP orientation. <https://www.clarkstate.edu/admissions/admissions-for-college-credit-plus/college-credit-plus-orientation/>
- Once enrolled, students must meet the required Accuplacer **or** ACT scores in the chart below.
 - If students have an A in 9th grade English, they are considered “remediation-free” in Reading and can enroll in ENG-1111 or the like (PSY-1111/HST). Anything lower than an A and they must take Accuplacer.
 - If students have a B in Algebra II, they are permitted to go into MTH-1060 Business Math or STT-2640 Elementary Statistics (bypass the QRAS placement test & go right into AAF test).
 - If students want to take MTH-1280 College Algebra, MTH 1340 PreCalc or MTH 2200 Calc and do not have appropriate college-level course pre-req or applicable scores, they will need to take Accuplacer QRAS/AAF or AAF. If students earned a C or better in MTH 1340, they do not need to take the Accuplacer to enroll in MTH 2200.
 - Students taking QRAS and AAF, must receive a 260 on QRAS before they are permitted to take the AAF portion.
 - College Ready Scores Accuplacer: 250 in Reading **OR** QRAS of 263 **OR** AAF of 263
 - College Ready Scores ACT: English 18 **OR** Reading 22 **OR** Math 22
 - Students must also have a cumulative unweighted GPA of 3.0 or higher to enroll in these classes or if they have a cumulative unweighted high school GPA of at least 2.75 but less than 3.0 and received an “A” or “B” grade in a relevant high school course.
